

Sky & INTA are delighted to invite you to the premier of

THE GHOST FACTORY

THE TRUTH ABOUT MY DOLL

A movie by
Mimmo Calopresti

May 10, 2017, 18:00

**Member's Salon, European
Parliament, Brussels**

Hosted and introduced by Stefano Maullu, European Parliament Vice-Chair of the Culture and Education Committee. The screening will start at 18:30 and will be followed by a cocktail reception.

This new Sky documentary is a fascinating journey into the world of counterfeiting and illegal markets. The "ghost factory" is where it all starts: a shadowy place where countless illegal and dangerous everyday goods originate.

Please RSVP by April 28 to Alberto.m@sky.eu indicating if you need a security access pass to the European Parliament
